WHY IS THERE A GROWING MARKET FOR UGANDA SAFARIS?

PEOPLE CLAMOR FOR THRILL AND ADVENTURE!

THE MAGNIFICENT WEATHER

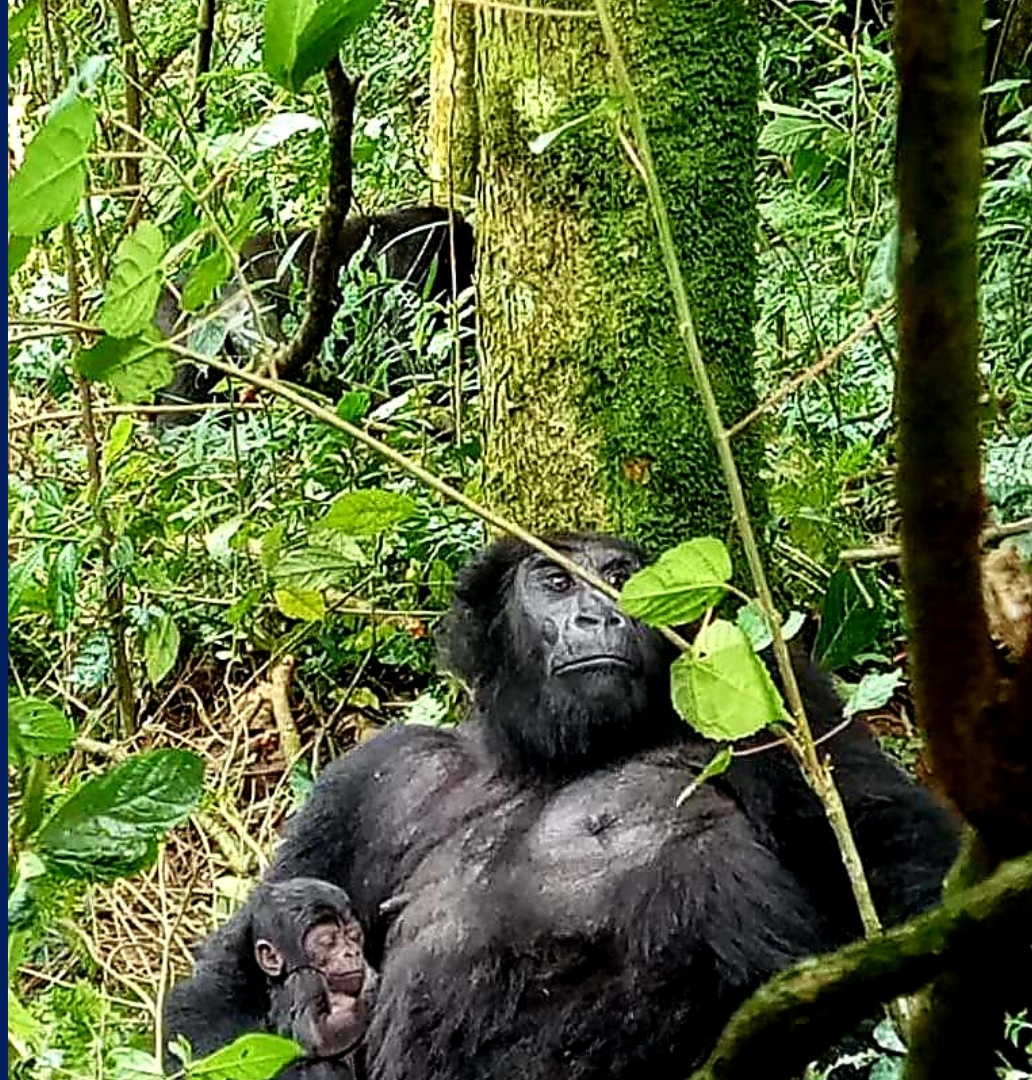

A chimpanzee is perched on a thick, dark brown tree branch, surrounded by lush green foliage. The chimpanzee is holding a small branch with green leaves in its mouth and appears to be eating. The background is a soft-focus green forest.

**We are the primate
adventure capital of the
world.**

**Out of the 5000 chimpanzees in
Uganda ,Kibale house more than
1,500 individuals.**

Uganda is one of the 3 major gorilla trekking destinations in Africa.

8% of the world's mammals species are found in Uganda equivalent to 1,063 mountain gorilla individuals as of 2021.
